

Sweet 16

CELEBRATING
16 YEARS
OF CHARITABLE
GIVING

FEBRUARY 2022

On behalf of Current Builders and the Current Builders Charitable Foundation, we extend our heartfelt thanks for your contribution to our 2021 Holiday Fundraising Program. We set a lofty monetary goal of \$75,000.00 that was significantly exceeded thanks to the generosity of our clients, design partners, sub-contractors, vendors, and CB team members.

The 2021 program resulted in more than \$100,000.00 in donations which were distributed to benefit the following deserving charities: Dolphins Cancer Challenge, Best Buddies, Rebuilding Together Broward, Habitat for Humanity, Toys for Tots and Dana Farber Cancer Institute.

With sincere thanks and gratitude,

Current Builders
